

# CIRKUS CIRKÖR

**WELCOME TO  
STOCKHOLM,  
CIRKUS CIRKÖR  
AND THE  
SHOWCASE FOR  
INSIDE OUT  
DECEMBER  
11<sup>TH</sup> -12<sup>TH</sup> 2008.**

**- Two exciting days for seeing the show and meeting with creators, the artists and the production team Inside out**

**Inside out is Cirkus Cirkör's new big production.** A second and independent part of a trilogy in which we continue to explore the possibilities and impossibilities of the human body and soul. The first part, 99 % unknown, that opened in 2004, toured over the world and took the audience on a journey among cells and neurons inside the human body. With Inside out we step outside the body and let the circus artists' physical abilities to balance on knives edges and challenge gravity, inspire us to new ways of looking at and meeting the world around us. Inside out opens in Lund (the south of Sweden) on September 13<sup>th</sup>, and continues to Järna, Gothenburg and Stockholm in 2008. Inside out will be available for touring from February 2009.

Inside out is a circus show celebrating the circus arts, its' technical skillfulness, magic and way to look upon life. A performance nourished by a circus heart, sparkling of awesome live music and Cirkus Cirkör's energy, warmth and humor.

Inside out is directed by Cirkus Cirkör's artistic director Tilde Björfors. It consists of 7 multi skilled circus artists and the live rock Irya's Playground whose singer Irya Gmeyner many will recognize from the band URGA.
